REVISED: 10/26/1978 05/23/2013 03/24/2016

LINE RELOCATION REQUEST

POLICY

It shall be the policy of M.J.M. Electric Cooperative to cooperate with its members on a cost sharing basis for the relocation of lines, poles, and anchor-guys for members' convenience.

RESPONSIBILITY

President/CEO and Staff

PROCEDURE

The Cooperative will move poles and lines under the following conditions:

1. All relocation requests shall be referred to Cooperative's Engineering Department to determine:

- (a) Feasibility of Relocation.

The life expectancy of Cooperative facilities, Cooperative liability, and safety for both parties shall be considered when making the decision to approve line relocation.

- (b) Cost of Relocation

The cost of the line relocation shall be based on the best judgment of qualified Cooperative representative. Life expectancy of Cooperative facilities, property owner's benefits, and value of relocation to Cooperative will be considered in determining ratio of cost sharing.

2. After cost estimated has been determined, the member will be provided a written notice of the portion of the cost the member is expected to pay. Said notice accompanied by a detailed sketch of the proposed relocation and an agreement for the member to sign and return to the Cooperative agreeing to pay specified amount, shall be sent to the member before relocation of facilities work is started.
