

### MJM Electric Cooperative – Road Trenching Permission

I, \_\_\_\_\_, the road commissioner of \_\_\_\_\_ township approve that MJM Electric, further noted as Cooperative, can trench \_\_\_\_\_ for \_\_\_\_\_, further noted as Member.

The Cooperative will trench through township road and fill with CA6 road pack. Any further needs or requirements for the road will be within the agreement between the road commissioner and the Member. The Member is responsible for any further settling of the trench. Member is also responsible for the supply of conduit for the road crossing.
