

SUPPORTING A SMARTER WORKFORCE

Earn up to **\$15,000** in workforce development incentives from your local electric cooperative.

PROGRAM DETAILS

1. Eligible to MJM Electric Cooperative business members with employees who need training on new processes, software, or equipment.
2. Receive \$1,000 per new employee or retained employee trained, up to 15 employees.
3. Grants are awarded through your local electric cooperative.
4. Available to new and existing businesses within the designated territory—see reverse for map.
5. Funding is limited. Contact Wabash Valley Power Alliance to learn if you're eligible and begin your two-question application.
