TERMINATION OF MEMBERSHIP BY SUSPENSION OR EXPULSION

POLICY

It shall be the policy of the Cooperative to provide an efficient method for termination of Memberships by suspension or expulsion.

RESPONSIBILITY

President/CEO, Management and Staff

PROCEDURE

- 1) When a Member fails to pay the amounts due the Cooperative, or fails to cease non-compliance of any other requirements of his Membership obligation, Management or Staff shall automatically suspend that Membership and shall reflect said suspension on the Cooperative's Membership records. During a period of suspension, a Member may be automatically reinstated by paying to the Cooperative all amounts due, including any additional charges required for reinstatement and/or ceasing any other non-compliance of his Membership obligations.
- 2) If a Member in suspended status makes a written request for a hearing, said hearing shall be heard by the Board of Directors at a time and place as determined by the Board President. A listing of all Members who were suspended in the previous month, who have not been reinstated, shall be presented at the next month's regular meeting of the Board of Directors, who shall then consider expelling them by appropriate Board resolution.
- 3) If a Member who has previously been expelled applies for a renewed Membership, that Member will be required to pay any outstanding balances due the Cooperative and a deposit determined at the time of reinstatement in addition to the other fees and deposits as provided by the Cooperative Bylaws, policies, rules and regulations.
